

Registration

Kindergarten Afternoon Enrichment

Welcome to the Afternoon Kindergarten Enrichment Program! Your child will enjoy fun learning activities that enhance morning Kindergarten and provide extra social interaction - computer projects, crafts, gym time, and even baking projects. This optional program is open to all children enrolled in the morning Kindergarten class.

Afternoon Enrichment is designed with flexibility to meet your family's needs. The program runs five days/week. You may have your child attend every day OR select the days your child will attend. We do ask that you commit to your schedule for at least a full semester to accommodate staffing and material provision.

The afternoon program begins right after supervised lunch and recess time, running from 1:05 to 4:00 P.M. Your child will be eligible for bus transportation at the end of the day. Program fees are in addition to morning Kindergarten tuition.

Registration and Tuition

Student Name: _____
(First) (Middle) (Last)

Student Name: _____
(First) (Middle) (Last)

Parent/Guardian: _____ Date: _____

- Monday
- Tuesday
- Wednesday
- Thursday
- Friday

Fee: _____ Days/week x \$472.40 = _____ Annual Fee

This annual fee will be added to your tuition for morning Kindergarten, using the same form of payment.

RCS needs at least six full-time students (or equivalent part-time students) enrolled to run Afternoon Enrichment. We must reserve the right to cancel this program if there are not enough children registered.

Please send your completed form to the school office. If you have any questions, contact the school office or Principal Dave Van Swol at 634-0961. Thank-you!
