General Information

The Kindergarten Enrichment Program is optional, and is only open to children already enrolled in the morning Kindergarten class. The program fees are independent of the regular tuition schedule. A few details are as follows:

1. The program will run 5 days a week. If you do not wish to have your child attend every day, you may select the days your child will attend. We request that you commit to the schedule you have selected for at least a full semester, as we need to make arrangements for staffing, materials, etc.
2. The afternoon program will run from 12:20 until 4:00 p.m. Your child will be eligible for bus transportation at the end of the day.
3. We need at least 6 full time students (or an equivalent number of part time students) enrolled to run the afternoon program. We reserve the right to cancel this program if there are not enough children registered.
