Racine Christian Students Compete in Academic Bowl

Quiz Bowl teams from Trinity Lutheran (on left) and Racine Christian (on right) compete at Racine Lutheran High School's recent Academic Bowl.

Racine Christian School students recently participated in the annual Academic Bowl hosted at Racine Lutheran High School. The Academic Bowl gives middle school students an opportunity to challenge themselves mentally. They can use their academic gifts in a fun, yet competitive, setting.

Events for individual competition included a spelling bee, history projects, a paper airplane flying contest, and a poetry/writing assignment. School teams also participated in a Quiz Bowl competition. A total of over 100 students competed for ribbons and medals in the various categories.

The Racine Christian team won the 7th – 8th grade division in the popular Quiz Bowl. Principal Dave Van Swol says, “Special congratulations to the Quiz Bowl team, and we commend each participant for stepping up to the challenge! Students enjoyed pitting their skills against other students in a positive, Christian setting. We appreciate Racine Lutheran High School sponsoring this great annual competition.”

Racine Christian School provides excellence in Christian education to K-8th grade children. The school is located close to home at 912 Virginia Street in Racine. To register, contact the school at 634-0961 or visit www.RacineChristianSchool.com.
