### **Racine Christian Thanks Community for Apple Pie Sales**

*Caption: Racine Christian students Abby Wiegers and Abigail Stewart helped advertise the Apple Pie Sale.*

Racine Christian School parents, staff, and friends hand-made 2,027 apple crumb pies for their sixth annual Apple Pie Sale. They raised \$12,500 for the school's operation.

“Thank-you to the community for your support of the Apple Pie Sale,” says Principal Dave Van Swol. “Many people reserved pies in advance, and others saw our signs and stopped by to pick up a fresh apple pie.

“We also thank our great volunteers who filled, topped, and packaged all those home-made pies. About 75% of our school parents – and many students - worked at the sale. That's great involvement, and it's indicative of the commitment our families have to the school.

“Parents tell us they are pleased with Racine Christian's high academic standards and the excellent character of our K-8 student body,” adds Van Swol. Racine Christian School serves families from more than 40 Christian churches throughout the area. Learn more at [www.RacineChristianSchool.com](http://www.RacineChristianSchool.com).
