RCS Helps Harvest Outreach

Racine Christian kindergarteners show food items they collected for Harvest Outreach.

As a service project, Racine Christian School's kindergarten class brought in food items to stock the Harvest Outreach Food Pantry in Racine.

Teacher Barb Vanderleest says, "Students collected over 100 items to help those in need this winter. We are all so blessed and wanted to share with others. Our kindergarten students say, 'Thank you, God, for everything.'"

Helping others is part of Christian education at Racine Christian School. Students enjoy these service projects as a tangible way of carrying out what they are learning in the classroom. For information on K-8 enrollment, call Principal Dave Van Swol at 262/634-0961. The school is located at 912 Virginia Street in Racine and on the web at RacineChristianSchool.com.
