Racine Christian School Open House February 23

Racine Christian School will hold an Open House for new families on Tuesday, February 23, from 6-7:30 P.M. Families are encouraged to tour the facility, meet the teachers, hear more about the school, and enjoy Story Time plus an art project and snacks. Racine Christian is located at 912 Virginia Street in Racine, at the corner of Ohio Street and Kinzie Avenue.

The school offers Christian education for Kindergarten through 8th graders, with strong emphases on academic excellence and family involvement. In standardized testing, students on average score several years beyond their actual grade level. Classes are smaller, with good discipline and dedicated teachers. More than 40 different Christian churches are represented by school's families.

Racine Christian employs a "whole child" philosophy toward education. "We use a triangle approach, with the child in the center, and home, school, and church at points surrounding him," notes Principal Dave VanSwol. "All points work together in supporting a child's development and success - including moral character, education, and behavior. A solid foundation during a child's early years sets a positive pattern with life-long benefits."

The February 23 Open House will give families an opportunity to sign up for Kindergarten Roundup March 3; this is the date of placement testing for Kindergarten readiness. Further information is available from Dave VanSwol at 262/634-0961. The school's web site is RacineChristianSchool.com.
