Racine Christian School invites prospective families to Open House on Monday, February 13, from 6:30-8:00 P.M. The school is located at 912 Virginia Street (Kinzie and Ohio) in Racine.

The Open House theme is "Seedlings." Principal Dave Van Swol says, "In Matthew 13, Jesus

tells us, 'The field is the world, and the good seed are the children of the kingdom.'

"We don't put precious seedlings out in harsh weather, but rather nurture and protect them. Why would we do any differently for our little children? Christian education at RCS provides the level of nurturing care that parents are seeking."

Each family attending the Open House will receive a free seedling to nurture and grow at home. Come tour the school and meet the teachers. Ask about the benefits of Christian education, pick up your enrollment packet, and enjoy refreshments. Grandparents are welcome, too!

Kindergarten Roundup - with testing for the 2012-13 school year - will be held March 7. Parents can learn about requirements for kindergarten during the Open House.

The school provides excellent academics, plus sports and music, with an elementary wing plus a middle school all in one facility. Prospective middle-school students and families are encouraged to attend Open House. Applications are being accepted now for the coming year.

Racine Christian students regularly score several years ahead of their grade level. Tuition is affordable, with STAR Hours for parental involvement plus contributions from the school's endowment fund for all students. Community scholarships are now available.
