**Racine Christian Presents Wax Museum**

Racine Christian School 8th grader Bobby Tate represents 16<sup>th</sup> U.S. President Abraham Lincoln. RCS 7-8<sup>th</sup> graders recently presented Wax Museum Night as a history project, coordinated by Teacher Sheila Richardson. From Lincoln to Crockett to Einstein, notable historical figures “came to life” and told their stories to attendees. Students researched their characters, formed speeches and visuals, and dressed for their roles. Entrance tickets for Wax Museum Night raised \$700 for a school service project: sponsoring a child in India through Compassion International.
